

PET PREPAREDNESS

Identification For your Pet:

- Identification papers including proof of ownership
- microchip (the best way to identify your pet) make sure to keep the information up-to-date.
- Tags and collar (Name, address, phone number)
- Waterproof pouch attached to collar with identification information inside
- Many reptiles may be marked with a permanent felt-tipped marker
- Clear identification on cage/ housing or confined animals
- Keep current photographs of your animals in the evacuation kit for identification purposes.
