

Internship Overview

OVERVIEW:

- The EMA provides exposure to many different aspects of inter-governmental relations, as staff coordinate daily with local, state, and federal government agencies as part of routine operations. This assignment also provides an opportunity for student to explore career options, apply academic knowledge and skills to the workplace, gain career skills, build resumes, and network with professionals in their fields of interest.

SKILLS, TRAINING, AND QUALIFICATIONS

- The ideal candidate will work independently and be detail oriented while possessing excellent writing skills to prepare reports, and analytical research skills. Experience with Microsoft Office Suite, especially Word and Excel is preferred.
- The position is best suited for undergraduates, graduate students, or recent graduates with a background in emergency management, homeland security, public safety, public administration, or related fields.
- Must be in good academic standing with an accredited institution.
