

# Frequently Asked Questions

## **Is this a paid or unpaid internship?**

- This is an unpaid internship

## **How many hours must I complete for my internship to count?**

- The term is a minimum of 120 hours on a flexible schedule. It works to accomplish the requirement for your internship hours as well as to provide support to the office on a weekly basis.

## **What is an average day like for an intern?**

- Everyday is different, interns will help answer phones, work on projects, conduct research, attend public events, participate in training classes and exercises and more.

## **Will this internship lead to a potential job?**

- This internship will not lead to a full time position with the Calhoun County EMA. Finding a job is ultimately up to you, with that being said, this internship can help open doors either through; gaining valuable contact information of potential employers or by helping you gain experience you might not get during your college years.

## **What Should I wear during my internship?**

- Business casual is required while working at the Calhoun County EMA.
